Resolved: that Cottingham Parish Council recommends approval

2184 TO RECEIVE UPDATE ON THE PROPOSED INSTALLATION OF SPEED INDICATOR DEVICES

2184.1 The Clerk reported the office was awaiting East Riding Council to confirm if the proposed speed indicator devices could be attached to existing lampposts, an application for PCC funding could be applied for until 13th February 2026

2185 TO DISCUSS VILLAGE ROAD SAFETY CONCERNS

2185.1 Councillors expressed their disappointment and concerns that whilst the Parish Council had submitted their highways priority list to East Riding Council in May 2025 regarding road safety concerns on Link Road and the Garths, speeding on Golf Links Road, road safety and traffic management on King Street and road safety issues emerging from The Paddock onto Thwaite Street, their Traffic Management team have advised that their priority for the current financial year remains delivery of the Castle Hill Parking scheme. This is now out for informal consultation, with plans for implementation of the final scheme design in the first quarter of 2026; given the scale of work involved, this does not leave capacity to progress any additional Cottingham schemes within the 2025/26 year. Councillors are very concerned that the needs of residents are not being met, Cllr Casson reported that in his capacity as Ward Councillor he has requested East Riding Council allocate additional funding for Cottingham highways issues.

2185.2 Councillors requested the office contact East Riding Council to request they provide information as to how much funding has been allocated to Cottingham for highways projects for the past 5 financial years, what percentage of the highways budget is allocated to Cottingham and how much has been allocated to deliver the Castle Park Scheme

Resolved: that the office contact East Riding Council to request they provide information as to how much funding has been allocated to Cottingham for highways projects for the past 5 financial years, what percentage of the highways budget is allocated to Cottingham and how much has been allocated to deliver the Castle Park Scheme

2185.3 It was agreed that Councillors will confirm their road priority request list for 2026/2027 at the next Planning meeting scheduled for 10th February 2026

Resolved: that Councillors will confirm their road priority request list for 2026/2027 at the next Planning meeting scheduled for 10th February 2026

2186 TO CONSIDER PROPOSED BASE STATION UPGRADE AT EXISTING TELECOMMUNICATIONS BASE STATION AT COTTINGHAM WATER PUMPING STATION, ORCHARD CROFT, COTTINGHAM

2186.1 Details of the proposed upgrade had been circulated to Councillors in advance of the meeting. Councillors approved the proposal

Resolved: that Cottingham Parish Council approve the proposed base station upgrade
